Important Changes:

This fall, we have adjusted our class structure to have two classes per week: a Signature class and an Enrichment class.

- Signature classes will introduce the students to the week's concepts.
- Enrichment classes will reinforce and expand on those same concepts.
 - Both classes will be held online through live Zoom sessions.
 - Both classes are built to enrich and engage with the students.

More than ever, we ask our students to be diligent with us and our material. We will continue to have homework due on a weekly basis, and assessment tests distributed after every chapter. Students must use their own discipline to follow through and learn the concepts.
